

STUDENT NEWS

August 2015

Welcome Back! We are so looking forward to a grand year and the promise of many good things to come.

The new graduate office space is coming along and will be ready soon. What a wonderful facility it will be. It is amazing what a little wiring, paint, floor covering, and furniture can do. We hope you will enjoy this new facility.

We extend special greetings to all of our new graduate and undergraduate students. Be sure to check out all the welcome events on campus. Enjoy!

Best regards,

Dr. Dan Herms, Chair

Dr. Carol Anelli,
Associate Chair
